

# TECHNICAL DATA SHEET

## Petrol performance improver

**Art. no. 5861 101 300**

P. Qty.: 1 / 12

**For all petrol engines with and without a catalytic converter.**

Contents	300 ml
Colour	Colourless
Smell/fragrance	Solvent-like
Chemical basis	Hydrocarbon
Shelf life from production	24 Month
Density	0.799 g/cm <sup>3</sup>
Density conditions	at 20 °C
Min. flashing point	-10 °C

## Application area

Removes lacquer-type deposits and resin build-ups in pipes, petrol pump, carburettor, valve tips and valves. Also removes oxidation residues.

## Proof of Performance

The usage instructions are recommendations based on the tests we have conducted and based on our experience; carry out your own tests before each application. Due to the large number of applications and storage and processing conditions, we do not assume any liability for a specific application result. Insofar as our free customer service provides technical information or acts as an advisory service, no responsibility is assumed by this service except where the advice or information given falls within the scope of our specified, contractually agreed service or the advisor was acting deliberately. We guarantee consistent quality of our products. We reserve the right to make technical changes and further develop products.
